2020 Year in Review

2020 was a unique year at the Historical Society for Southeast New Mexico. It brought hardships, loss and unforgettable events in history, as well as new and unusual opportunities. Most of all the Historical Society united and worked together for the good - impacting the lives of others through scholarships and golden opportunities to think outside the box such as Drive-Thru fundraisers.

The Board of Directors and I cannot wait to see what 2021 has to offer. We challenge each of you to assess how you can celebrate the history of our area and join with us to uphold and perpetuate our mission statement which is...

“To assemble, preserve and interpret the history of Southeast New Mexico and to promote a greater interest, understanding and appreciation of the area’s past.”

Sincerest blessings,
Amy McVay Tellez
